THIRD  AGE
FÁILTE ISTEACH

South Kerry Development Partnership, in conjunction with Failte Isteach is providing training to volunteer tutors for the Failte Isteach English Conversation Programme

What is Third Age Fáilte Isteach?

Fáilte Isteach is a unique project that provides conversational English classes for migrants on a voluntary basis.

The Fáilte Isteach project has three desired aims:

- Provide the necessary language skills to new migrants in a student-centred, welcoming and inclusive manner
- Involve volunteer tutors and recognise their skills, expertise and contribution to the community
- Promote greater integration and achieve a new sense of community spirit, by forging new friendships and facilitating learning about different cultures.

Are you interested?

Fáilte Isteach is now looking for volunteers in Killarney, Co. Kerry to teach conversational English on the programme. Volunteer training will take place 06th & 13th May. Are you:

- Open to meeting new people and curious about the world around you?
- Patient, available 2 hours every week, reliable and committed to helping others?

Then Fáilte Isteach might be of interest to you!

'Our volunteers get a huge amount from the programme, have made great friends, are delighted that their skills and expertise are being recognized and valued, and that they are helping to help build a better, stronger and more inclusive society'
