

What is Third Age Fáilte Isteach?

Fáilte Isteach is a unique project that provides conversational English classes for migrants on a voluntary basis.

The Fáilte Isteach project has three desired aims:

- Provide the necessary language skills to new migrants in a student-centred, welcoming and inclusive manner
- Involve volunteer tutors and recognise their skills, expertise and contribution to the community
- Promote greater integration and achieve a new sense of community spirit, by forging new friendships and facilitating learning about different cultures.
