Complaints Policy

COMPLAINTS POLICY

Client care is a fundamental part of SKDP. We believe that every client should expect and receive excellent service. Our Company policy on client care is to continuously pursue our commitment to providing the highest standard of client service and to customise our approach to meet the special needs of our clients. Our ethos is to always deliver both a professional and outstanding service, and there is an expectation that this ethos is reflected at all times in our performance and in our work.

South Kerry Development Partnership views complaints as an opportunity to learn and improve for the future, as well as a chance to put things right for the person or organisation that has made the complaint. Our main priority is to deal with the complaint promptly and to the client's satisfaction as far as possible.

Our Commitment to you

Our policy is to:

- Provide a fair complaints procedure which is clear and easy to use for anyone wishing to make a complaint;
- Make sure all complaints are investigated fairly, promptly and in confidence;
- Handle all complaint information sensitively, telling only those who need to know; following any relevant data protection requirements;
- Gather information which helps us to improve what we do;
- Learn from complaints and use them to review and improve our service.

What is a complaint?
