# APPRENTICESHIPS @ TORC ENGINEERING

We are a family business that has been training apprentices for over 25 years. We have a proven history of training some of the best Fabricators and Fitters in the Region. Based in Killarney, we offer a wide range of services to a varied mixture of customers which means our apprentices can gain experience across a broad range of jobs.

Apprenticeships offer a blended learning experience, combining on-the-job and college based training. Apprentices also earn while they learn and gain practical experience from the outset. The training earned during an apprenticeship provides candidates with an internationally recognized qualification that can lead to varied and rewarding future careers. At Torc Engineering, we have a state of the art Fabrication and Machine Shop with the latest CNC based sheet metal and machining equipment. If you are interested in one of our Apprenticeship Programs, feel free to contact us to learn more.
