FACILITIES MANAGER

Employer:

Sodexo, Tralee, Co. Kerry

As the Facilities Manager, you will be responsible for ensuring the efficient operation of site facilities, managing planned preventative maintenance (PPM) schedules, handling lifecycle management, and ensuring compliance with all contractual and health & safety obligations. You will work closely with various stakeholders to drive service delivery and maintain high standards.

Duties include:

- Oversee day-to-day operational issues across all service lines and manage the site-based facilities team.
- Take ownership of the PPM schedules, minor works, lifecycle replacement programs and the Computer-Aided Facility Management (CAFM) system.
- Ensure safe systems of work, conduct safety walks, manage permits and promote a safety-first culture.
- Supervise and support the hard & soft services team, ensuring high levels of performance and accountability.
- Monitor lifecycle expenditures, manage maintenance budgets, and ensure compliance with commercial contracts.
- Act as the operational point of contact, maintaining effective communication with clients, contractors and the on-site team.

Job Type: Full-Time

Salary: €40,000 - €80,000

Requirements include:

- Strong experience in facilities management within the PPP or FM industry.
- Proven team leadership and stakeholder management skills.
- Excellent communication skills and ability to problem-solve under pressure.
- Knowledge of contract management, budgeting and compliance.
- IT proficiency, including Microsoft Office (Excel, Word, Outlook).
- Strong understanding of FM services (hard & soft) and operational best practices.
